

Blue Tree Group is an investment banking boutique based in Munich, Germany, which acts as a financial advisor for tech-enabled businesses. Our core service spectrum covers m&a-, debt- and capital growth advisory while supporting in the execution of merger and joint ventures, fairness opinions, debt restructuring and large capital increase projects. Our clients include pre-IPO companies, listed companies as well as fast-growing companies from the DACH and Benelux regions.

To strengthen our team in Munich, we are looking for a new intern for a minimum of 6 months starting in January 2022:

Internship (m/f/d) in the area of Investment Banking: M&A, Debt and Growth Capital Advisory

Your Tasks

- Assistance with ongoing projects
- Support in pitch and marketing presentations
- Assistance in the preparation of company valuations and financial analyses
- Industry-specific research projects
- Support in the development of financial models

Required Profile

- Very good academic track record in business administration, finance or economics
- Very good communication skills: native German and fluency in English (oral and written)
- Previous internship experience within investment banking, strategy consulting or auditing
- Excellent analytical and problem-solving skills
- Ability to work independently and enjoy taking on responsibility
- Profound knowledge of Microsoft Office (Excel, PowerPoint)

What we offer You

As an integral part of the analyst team, you will work closely with our experienced investment bankers on current projects. You will go through our Analyst Program and will be personally supported from day one. We offer you a high learning effect and best networking opportunities with our partners from the financial industry.

Your Application:

Were we able to arouse your interest in supporting the Blue Tree Group team? If we have succeeded, we look forward to receiving your application including a letter of motivation, curriculum vitae and references to:

Blue Tree Group GmbH
